

Miners Memorial continues to seek family histories of miners that labored in both deep shaft and strip mines of Cherokee and Crawford Counties in Southeast Kansas. It is estimated that over 10,000 miners worked in this area. Your contribution of \$100 will provide for a single name to be engraved on one of the black granite stones in Immigrant Park of Pittsburg, KS. These markers will endure for generations. Please fill out the following form and mail \$100 as cash or check to reserve a spot for a loved one:
